previously registered and which remain UNRESOLVED, shall accurately (i) identify all clients with filed and unfiled Affected Product-related claims, whether or not involving a revision surgery, and (ii) provide the information for each such client as set forth on the Registration Declaration and Registration List, including identifying all Interested Counsel in each filed case or unfiled claim, and (iii) designate the Primary Law Firm and contacts as described below. The Registration Declaration for represented and unrepresented claimants and the form of Registration Lists will be made available through the Registration Processor, Epiq (formerly known as “The Garden City Group, Inc.”).

**5. PREVIOUSLY REGISTERED CASES OR CLAIMS (Which Remain Unresolved):**

Counsel for any Affected Product-related case pending in this Court (*which are UNRESOLVED*) and/or counsel who have any clients who have claims, filed or unfiled (*which remain UNRESOLVED*), connected with the Affected Products who have previously registered a case or claim with Epiq (formerly known as “Garden City Group”) must update each such claimant’s registration information, including revision status or subsequent death, to the extent such information has changed since initial registration. **(NOTE: This obligation does not apply to cases or claims that have been resolved through the Settlement Program or otherwise (i.e. the enrolled patient has accepted his/her Base Award or Covered Unrevised, Infirm Patient Award) unless the patient has a claim or lawsuit as to a bilateral affected hip that was not resolved through the Settlement Program.)**

**6. OBLIGATIONS OF COUNSEL:**

- a. Designation of Principal Responsible Attorney: The registration of each filed, unresolved case pursuant to this Order must designate the Principal Responsible Attorney and legal assistant for that case. The Principal Responsible Attorney so

designated shall be jointly identified by the Primary Law Firm and Interested Counsel by name, state, bar number, business address, and email address.

- b. Designation of Primary Law Firm: For each filed, unresolved case pending in either state or federal court, there must be a single designation of a Primary Law Firm. The Primary Law Firm must also identify each and every client for whom it is the Primary Law Firm by serving a list of all filed, unresolved Affected Product-related claims – whether revised or unrevised – in which such law firm, or any attorney at such law firm, is the Primary Law Firm as of the date of this Order.
- c. Counsel’s Mandatory Obligations in Connection with Product Identification: *Prior to registration, or to the extent not already provided during prior registration periods*, the Primary Law Firm shall verify, including by review of actual product identification medical records, that its individual clients were in fact **implanted with an ABG II Modular Neck Hip Stem or a Rejuvenate Modular Neck Hip Stem**. For all previously registered matters, in the event that a subsequent review of the registered client’s medical records establishes that s/he was in fact not implanted with an Affected Product, the Primary Law Firm must, within fourteen (14) days of such verification, notify counsel for HOC and provide a stipulation of dismissal for defense counsel’s signature or move the Court for appropriate relief. **The Court notes that compliance with all product identification obligations in the applicable registration process is required of all lawsuits and claims. Counsel responsible for registration of claims or cases involving products other than the Affected Products, who fail to take corrective action as set forth herein, are subject to further Court action.**

- d. Completion and Service of Registration List: The Primary Law Firm representing clients with claims involving the Affected Products must prepare a Registration Declaration and Registration List, identifying all such clients as set out below in 5(e) and 5(f). To obtain a copy of the Registration Declaration and Registration List, go to the Registration Processor's website that was set up as part of the Global Settlement Program, [www.StrykerModularHipSettlement.com](http://www.StrykerModularHipSettlement.com), click on the "Registration" tab, and follow the instructions. g. Updates Regarding Change in Status of Each *Previously Registered, Unresolved*
